## **Program of Events**

**There are musical performances by the Saskatoon Temple Band.** If you have never heard a Salvation Army brass band before, you are in for a real treat. Almost one hundred years ago it wouldn't have been an uncommon event to see the Salvation Army band marching down the streets of our community here.

**There are musical performances by Larry Jaster.** Larry is a local celebrity and an accomplished musician specializing in gospel music. He has been a blessing to the Salvation Army in Swift Current for many years.

**The Guest Speaker is Major Stephen Court.** He and his wife, Major Danielle Strickland, founded The Salvation Army's 614 Urban Ministries on Vancouver's notorious downtown east side. They started the War College (an evangelism training college) in that same neighbourhood. Major Court was principal of a Salvation Army Training College (seminary) in Australia. He has authored more than a dozen books and Stephen and Danielle are currently serving in Edmonton Alberta.
